Due to the COVID-19 pandemic and the ability of the virus to spread from person to person, the Governor has implemented a number of Executive Orders directed at controlling spread of the virus by minimizing face-to-face interactions. Public gatherings are strongly discouraged by the CDC, State of Utah, and local health departments since they facilitate face-to-face contact and pose an elevated risk for virus transmission. The Division of Wildlife Resources and the chair of this public body have determined that public gathering at Regional Advisory Council and Wildlife Board meetings presents a substantial risk to the health and safety of those who attend—and will conduct this meeting using a fully electronic format. This meeting format is authorized by recent amendment to the Utah Code<sup>1</sup> and Executive Order by Utah Governor Gary Herbert<sup>2</sup>—and will be temporarily used in place of the in-person public meetings that usually occur around the state. Anyone wishing to comment on agenda topics in future meetings or to observe this meeting may do so by logging on to the Division's webpage at <https://wildlife.utah.gov/feedback.html> where instructions and links are provided.

*In compliance with the Americans with Disabilities Act - Persons needing special accommodations (including auxiliary communicative aids and services) for this meeting, should contact Staci Coons at 801-538-4718, giving her at least five working days notice.*
